NOTE: This plan outline is conditions-dependent. Circumstances change rapidly with the COVID-19 pandemic and the factors bulleted below will influence the decision to:

1. Begin our hybrid model on the anticipated dates on this document; and either
 2. Revert to fully remote (by building, grade-level, on a class by class basis or district-wide); or
 3. Remain in a sub-phase longer than the above-stated dates
- Public health conditions and data
 - The availability of PPE
 - The capacity for individuals to be tested and for contact tracing to occur in a timely manner that limits risk for close contacts of symptomatic or suspected symptomatic individuals
 - The ability of the district to staff all classes
 - The ability to transport students to and from the buildings
